EDUCATION

Adama Science And Technology University

2011

Collage dropped out

Evangadi

2021

Full stack web development /MERN

From internet

Scince 2020

Web development and programming

PROJECTS

Apple.com

I've rebuilt Apples website apple.com from the scratch completely working so good, using two ways

1: Using html css js bootstrap

2: using React js

Netflix

I've rebuilt Netflix trending website from the scratch completely working so good,

using React Js hooks, TMDB and many npm toots

Amazon

I've rebuilt Amazon website front-end/Back-end from the scratch completely working so good,

With React Js hooks, using many npm toots

Zoom

I've rebuilt Zoom web application from the scratch completely working so good,

With React Js hooks, using many npm toots

Estifcode.com

I've built my portfolio website which has many features and my projects, it is completely working. I used html, css, js, bootstrap etc.

And deployed it. Checkout <https://www.estifcode.com>
